Academic Experience

Commerce (BCom 2020) & Computing (BComp 2021)

Smith School of Business, Queen's University

May 2021 Graduate

Kingston, ON

- Dean's List Standing (2016-2019) – GPA: 3.87 / 4.3
- D&R Sobey Major Admission Award – \$80,000 | The Edward and Nancy Nash Scholarship (2019) – \$4,600
- Exchange student for the 2018 fall semester at BI Norwegian, Oslo, Norway.

Projects

Custom Order Web App

In Progress

Oil Thigh Designs (A not-for-profit student run clothing brand)

Building a **Node.js, Airtable, and EJS templated** full-stack application that is deployed on a **DigitalOcean Linux Server**. The App allows OTD's customers to seamlessly design and place custom bulk clothing orders. I am successfully meeting time constraints, budget constraints, and stakeholder needs.

Portfolio

Fall 2019

andrewgreenan.com

A simple and effective **HTML, CSS, and GitHub Pages** webpage that displays my programming projects and course experience.

Work Experience

Business Technology Consultant

Summer 2019

MRSB Group

Charlottetown, PE

- Developed a shortcut system using **Microsoft Word, VBA, and batch scripts** that inserts commonly used text snippets reducing document procurement time to 1/10 of the original time
- Employed **VBA, SQL, and Microsoft Access** to develop an internal client database to improve the historical data retention capabilities of the consulting division.
- Developed a searchable staff directory on MRSB's public website utilizing **jQuery** and Wix Corvid.

Program Assistant

Summer 2018

SHAD UPEI

Charlottetown, PE

- Facilitated a STEM and entrepreneurship-focused summer program for 48 accomplished high school students.
- Produced web development bootcamps teaching the fundamentals of **HTML and CSS**.

Distribution Manager

Summer 2017

Welcome PEI

Charlottetown, PE

- Managed the relations with 150 clients and 300 distribution points for paper tourism publications.
- Achieved the most successful delivery year in the company's 25-year history. 100% of the product reached consumers.
